

DISTRICT OF COLUMBIA ADVISORY NEIGHBORHOOD COMMISSION (ANC) 6A

What is an ANC?

Quite simply, it is your voice in city government. Each Ward is divided into a number of ANCs; we are in ANC 6A in Ward 6. Each ANC is in turn made up of Single Member Districts (SMDs) of approximately 2,000 residents who are represented by an Advisory Neighborhood Commissioner. Commissioners are elected to serve without pay for two-year terms. ANC 6A also has Committees to research issues and make recommendations to the ANC Commissioners.

What does an ANC do?

The ANC makes recommendations to the District government and Federal agencies on matters directly impacting the community. Issues include social services, transportation, public works, education, safety, health, planning, zoning and recreation. District officials are not required to follow ANC recommendations, but must give them "great weight."

How does ANC 6A function?

ANC 6A has monthly meetings where Commissioners discuss and vote on issues brought to their attention by citizens, city agencies and others. ANCs are most effective when supported by citizens willing to become involved by attending meetings and volunteering for ANC Committees.
