P.O. Box 75115  
Washington, DC 20013

Dear Commissioner Fengler:

Metro is working to improve the service quality and reliability of Metrobus services within the region. The **Service Evaluation Study** was initiated to identify the strategic needs for the following routes operating in the Washington, DC area:

- Sibley Hospital – Stadium Armory Line D1, D3, D6
- Glover Park – Dupont Circle Line D2
- Ivy City – Union Station Line D4
- MacArthur Blvd – Georgetown Line D5
- Hospital Center Line D8

The **Study** has developed preliminary recommendations for these routes based on a detailed assessment of the transit service, traffic operations and other input gathered from riders, bus drivers, service planners, and jurisdictional partners. The second-round public meetings are intended to present the preliminary recommendations to the transit users and gather their input.

Please find enclosed an information sheet on the **Service Evaluation Study** to help your staff become familiar with the project as we make efforts to involve local residents in reviewing the study recommendations. We request your support and assistance in gathering public input for routes serving your jurisdiction by forwarding information on the public meetings to anyone who might be interested and encouraging them to submit comments.

We appreciate your involvement and commitment to the project. If you would like to have a member of the project team schedule a meeting to have a personal briefing with you and/or your staff please call Brian Laverty at 202-661-5313.

Please do not hesitate to contact Girum Meseret, Metro Project Manager, at 202-962-6486 or gmeseret@wmata.com if you have any questions regarding the study.

Sincerely,

# Metro Service Evaluation Study

## Quick Facts

### What is the Service Evaluation Study?

Metro, the Washington Metropolitan Area Transit Authority, is conducting a Service Evaluation Study to examine several Metrobus routes in order to recommend changes that address the strategic needs and problems identified. The study involves the following routes:

- |  |   |
|--|---|
| <p><b>2A, 2B, 2C, 2G</b> Washington Boulevard Line</p> <p><b>D1, D3, D6</b> Sibley Hospital – Stadium Armory Line</p> <p><b>D2</b> Glover Park – Dupont Circle Line</p> <p><b>D4</b> Ivy City – Union Station Line</p> | <p><b>D5</b> MacArthur Blvd – Georgetown Line</p> <p><b>D8</b> Hospital Center Line</p> <p><b>F8</b> Prince George’s – Langley Park Line</p> <p><b>P12</b> Eastover – Addison Road Line</p> |
|--|---|

### What is the Study Schedule?

The study started in July 2008 and is scheduled to be completed in February 2009.

### Why should I be involved?

Metro is hoping that you can help us plan better routes by attending one of the meetings below or submitting comments or suggestions on the project website, [www.MetrobusServiceEvaluation.com](http://www.MetrobusServiceEvaluation.com), or calling our project hotline at **202 370-2915**. Preliminary recommendations will be presented at these meetings. Metro needs your comments and suggestions to finalize these recommendations.

### When and where are the public meetings?

F8	Tuesday, January 27th	Prince George’s Plaza Community Center 6600 Adelphi Road Hyattsville, MD 20782
D1-8	Thursday, January 29th	Palisades Branch Public Library 4901 V Street NW Washington, DC 20007
P12	Tuesday, February 3 <sup>rd</sup>	Spauldings Branch Library 5811 Old Silver Hill Road District Heights, MD 20747
2A-G	Wednesday, February 4th	Mosby Woods Elementary School 9819 Five Oaks Road Fairfax, VA 22031
D1-8	Thursday, February 5 <sup>th</sup>	Jackson Graham Building Meeting Room – Lobby Level 600 Fifth Street NW Washington, DC 20001

### What will be the result of the Study?

The Metro Service Evaluation Study will result in recommendations for improved service and more efficient bus operations. Information gathered from public meetings, the project website, bus supervisors and operators, jurisdictional partners and service planners, will be used to develop and refine recommendations for each line. Upon completion of the study, Metro will determine the priority of implementing the recommendations based on community needs, available resources and other factors.

### Where can I get more information on the Study?
